Proposed Discontinued Route

Related Routes: X50, X61, D62, O47, O50

WHY IS THIS PROPOSED?

Route 65 would be discontinued due to overall low ridership, though denser areas that have ridership potential would be continue to be served by other routes.

Route D62 would provide connections between Squirrel Hill South, Oakland, and Downtown all day on weekdays and weekends.

PRTX service would provide more frequent and reliable service for riders between Downtown, Uptown, and Oakland.
