PRT Bus Line Redesign
BusLineRedesign.com

Proposed Discontinued Route

Related Routes | PR, D5, D96, N1

WHY IS THIS PROPOSED?

Route P10 would be discontinued due to low ridership and slow recovery of commuter trips post-pandemic.

Route N1 would run from Harrison Township to East Liberty Station and route D5 would connect Harmar to Downtown.

Route D96 would provide a direct connection to Downtown with service running from Rt 28 to East Liberty Station and Downtown.
