

➤ TRY OUT YOUR FUTURE TRIP AT THE APP

Now you can see how the proposed Bus Line Refresh network would get you there.

Through the Transit app, you can plan real trips using the proposed final network and compare them side by side with your trip today.

- 1 Download the Transit app**
Free on the App Store or Google Play, or visit transitapp.com.
- 2 Look for the Bus Line Refresh preview**
You'll see a preview banner on the home screen when you're in the Pittsburgh area.
- 3 Plan a trip like you normally would**
Enter your starting point and destination.
Compare today vs. the proposed network Tell us what you think with a public comment
